

Sturdy and efficient vacuum cleaner perfect for tackling tougher dirt

Perform everyday cleaning tasks with minimal stress with the second-generation Multi II, an easy-to-handle and powerful domestic vacuum cleaner.

Perfect for tackling tougher wet or dry dirt in your home, car, or workshop. This robust machine boasts a sturdy design that's built to last. The high suction power guarantees effective and efficient results, while the filter indicator means you will know when to replace or clean the filter. What's more, the innovative Push & Clean function allows for semi-automatic filter cleaning, meaning you can get more out of your machine.

- Filter clean indicator for continued high performance
- Features Push & Clean: a semi-automatic filter cleaning function
- Sturdy build with a robust 1200 watt engine for long life
- High suction power for efficient cleaning
- Blow function offers even more alternative cleaning options
- 22-litre container capacity
- Polypropylene container for easy cleaning
- Soft start by attached powertool
- Steel tubes included
