

EU TYPE-EXAMINATION CERTIFICATE

no: AC 19166 Rev.1

Pursuant to Regulation (EU) 2016/425 of the European Parliament and of the Council of 9 March 2016,

CERTOTTICA Srl

Italian Institute for the certification of optical products
Notified body under PPE Regulation with identification number: 0530

considering application for EU type-examination no. **19284** submitted on **10/06/2019**

CERTIFIES THAT

the following personal protective equipment type

Personal eye protector - Eye-shield
PA03

submitted by

PORTWEST

IDA Business Park - Westport Co. Mayo F28 FY88 - IRELAND

meet the essential health and safety requirements which apply to it.

Description of the personal protective equipment model, references to the standards, test results and description of the CE marking placed on the equipment are described on pages 2, 3 and 4 of this document.

First issued on: **19/07/2019**

Renewal or revision date: **18/07/2024**

Expiry date: **17/07/2029**

Longarone, **18/07/2024**

Certification Services Manager

This document has no. 4 numbered pages.

1. Description of the Personal Protective Equipment

Identification of the PPE: PA03
Trade name: PORTWEST
Kind of equipment: Personal eye protector - Eye-shield
Ocular Material: Polycarbonate
Frame Material: ABS
In compliance with Standard(s): EN 166:2001 and /
PPE Category: II
Field(s) of use: Protection against high-speed particles - Low energy impact;
Protection against optical radiation - Ultraviolet filters - EN 170 (Clear ocular);
Protection against optical radiation - Sunglare filters for industrial use - EN 172 (Smoke ocular).
/
/

Note: The present EU type-examination certificate is the first revision of the previous EU type-examination certificate issued by Certottica on 19/07/2019 with number AC 19166. This first revision renews the EU type-examination certificate.

The eye-protector model PA03 is an eye-shield designed to be assembled on industrial safety helmets model PS53 and PS63 and is in two variants: Clear ocular - code PA03CL (protection against optical radiation - ultraviolet filters) and Smoke ocular - code PA03SK (protection against optical radiation - sunglare filters for industrial use).

The harmonized standard EN 166:2001 - clause 9.1 - provides that the marking shall be fully visible when the complete eye-protector is assembled. The structure of the present eye-protector does not allow a visible marking on the frame, therefore in derogation is granted the possibility of affixing the marking on the ocular in a location that does not limit the field of vision. See section 4 page 4.

Manufacturer's name: PORTWEST
Manufacturer's address: IDA Business Park - Westport Co. Mayo F28 FY88 - IRELAND
Authorised representative's name: /
Authorised representative's address: /
Certificate's holder: PORTWEST
Holder's address: IDA Business Park - Westport Co. Mayo F28 FY88 - IRELAND

2. Levels of protection offered by the PPE

Applicable harmonised standards/technical specifications:

EN 166:2001 - Personal eye-protection - Specifications

EN 167:2001 - Personal eye-protection - Optical test methods

EN 168:2001 - Personal eye-protection - Non-optical test methods

EN 170:2002 - Personal eye-protection - Ultraviolet filters - Transmittance requirements and recommended use

EN 172:1994/A1:2000/A2:2001 - Personal eye-protection - Sunglare filters for industrial use

Personal protection equipment model: PA03

complies with the basic requirements and with the following additional requirements provided for by the harmonised standard(s)/technical specification(s) for the particular use of this PPE in the foreseeable conditions of use :

EN 166:2001 and /

Protection against high-speed particles - Low energy impact.

/

/

/

/

Moreover, the personal protection equipment complies with the specific requirements provided for by the connected harmonised standard(s)/technical specification(s) for the particular fields of use:

EN 170 and EN 172

The eye-protector model PA03 with the Clear ocular variant is designed for protection against optical radiation - ultraviolet filters;

The eye-protector model PA03 with the Smoke ocular variant is designed for protection against optical radiation - sunglare filters for industrial use.

3. Test and examinations results are covered by the following test reports:

CERTOTTICA	194227	09/07/2019

Terms and conditions under which the Certificate is issued

- Marking and instructions have been examined in English. Obtaining and supplying versions in languages accepted by the countries where the product is sold are under the complete responsibility of the Manufacturer or of his authorized representative.
- Any changes to the product, to the technical documentation or, in set cases, to the manual or to the quality control procedures, shall be notified in time to Certottica.
- The Manufacturer or his authorized representative shall respect the procedures and rules provided for by Certottica for the issuing of the EU type-examination.
- Copies of this EU type-examination certificate, supplied to third parties, shall be reproduced in their entirety.
- This EU type-examination certificate shall be kept by the Manufacturer to be shown, on request, to the market surveillance authorities.
- This EU type-examination certificate remains property of Certottica, which can ask it to be returned if any of the above mentioned conditions is not respected.
